

School Closure Information

School Closing Information

It is the policy of Cathedral Grade School to conduct its normal business throughout the scheduled school calendar. Interruptions to the scheduled school calendar are permitted only in those cases where the safety and health of students and staff are endangered.

The Principal, or his/her designee, may close school or alter schedules for pupil attendance for reasons of inclement weather, acts of God, utility failure or other emergencies as may be deemed justifiable. In the event of school closing, information will be provided to parents via the following media sources:
